Coronation XVII

MISS INTERNATIONAL LONG BEACH

NIKO McCALL
"Committed to Caring"

MR. INTERNATIONAL LONG BEACH

To my Friends, Honored Guests, Ladies and Gentlemen;

Welcome to all attending our Stepping Down and the Coronation of the new Monarchs of the Long Beach Empire.

Serving the past year as Emperor XVI has been quite an experience, I'm very proud that we were able to unite the Courts of Long Beach during this reign, for those who helped accomplish this unity, I'm grateful. I've enjoyed attending many Coronations and meeting many wonderful people. When I became Emperor this year I was Elected with Empress Trixie, and our reign began with a wonderful Investiture, then we were part of unifying the Courts, this brought me a second Empress, Dorothy Big Mouth, well we have all done and shared so many great experiences together, good and bad times. We dealt with our tribulations and came out as good friends. Thank you both.

To the many people of my Empire who have helped me in so many ways, I can't thank you enough, if I failed to serve to your expectations, please understand that I did what I could, when I could, and I did it for the love of my brothers and sisters, this wonderful Empire of Long Beach.

Good luck to the newly elected Monarchs, please call on me to help in any way I can. Your efforts to be good Monarchs will be rewarded with many good friends and memories.

With Love and Respect,

Tom Barry Emperor XVI

"THE YELLOW BRICK ROAD WILL CONTINUE AS LONG AS WE BELIEVE IN OURSELVES."

Welcome to Centennial Masquerade Ball.

As my second tour of duty down the yellow brick road, comes to an new begining, I must say, I'm glad, but sad at the same time. Glad, because we now have one court. Sad, that I couldn't do more for our community.

<u>I</u> want to get something off my chest all year and I'm going to take the time right now, to do so. "To those who gave me the blues all year. Look back and see the energy you wasted on bullshit! While you'llwere playing your games, our brothers were dying. We could of channeled that b/s energy to help make their last days knowing that others cared about them. So from this day forth, I want you to think of that lost energy you wasted playing games, everytime a person dies from A.I.D.S. and remember, WHAT COULD HAVE BEEN!

 \underline{I} have two wishs this evening, one is; "That our new Monarchs don't put up with any b/s. Second; I hope the community will better understand the court system.

Boom Boom, Jamie Lee, Niko, Matt, Christina, Bet Davis, Terry Charles, Jeff and Bob, Jim and Glen, Ray and Dennis, Renee Austin, Rikki Lee, Frank, Lewis, Richard, Ray, Cyndi, Maye West and Spike, Joey and Tiffanie of Tulare, Tracye of Orange County, Bea Marshall, Ron, Angel, Rhonda Lee Ashton of G.C.I.E. "LOVE YOU ALL FOR SHARING AND CARING!" WILMA, special thanks!

 \underline{I} just know I left somebody out....so buy me a drink and refresh my memory ! Just kidding, you know I care !

 $\underline{\text{To}}$ the many cities I visited this past year and to the people I met on the yellow brick road, I say THANK YOU, for your warm hospitality, your friendship and the memories.

 $\underline{\text{To}}$ Empress Trixie, we made it! Thank you for the door prize at S.F.V.! Thank you for sharing and caring! At last we have one court, isn't that special?

 $\overline{\text{To}}$ Emperor Tom, your friendship, your patience and understanding have always been great. We've shared some great moments and some not so great. Plus you were there when all else failed. SO WHAT CORONATIONS ARE WE GOING TOO ??

 $\underline{\text{To}}$ my Prince Consort TOTO, my love of my life, you are truely are a Prince. Thank you for your patience, help, love and being there when I needed you. I know you'll be glad when tonight is all over and we can turn shambled palace back into a home. TOTO, I LOVE YOU!

Love, friendship, and great memories. This is what my reign as Empress XVI has given me. I thank everyone who helped with my reign, and thank everybody that helped unite our Court in the Long Beach Empire. We have all struggled this year to work out our problems, the work has paid off, and I am extremely proud to be a part of the reign that united Long Beach.

To everyone who showed me such great hospitality out of town, THANK YOU - THANK YOU!!!!

To my Co-Empress, Dorothy, we made it girl, maybe we can both tell people, "we are only sixteen", the Sweetest Sixteen in history.

To my Emperor Tom, you always looked so handsome and made me so proud to be your Empress, I love you, and thank you.

To my Long Beach, so many people helped me, with advice, with finance, with support, friendship and love. I could not have done it without you, my love is yours, and your love was mine, THANK YOU!

To the new Monarchs, keep our Long Beach strong, proud and UNITED, I pledge my support to our newly elected leaders.

With, Love and Gratitude;

Trixie
